PROFILE

Full Stack Developer & UI/UX Designer, B.E. Computer Engineering at PVGCOE, Nashik. Co-founded Rekraft (e-commerce startup). Built AI products — Rule_Zero and Attendance Prediction System. Seeking internship/junior roles in Full Stack or UI/UX.

WORK EXPERIENCE

Full- Stack Developer (intern) - Fortech Media & Marketing Pvt. Ltd

- Building and shipping Enterprise solutions, Website. mobile apps and CRMs for multiple companies.

Co-founder & GM — Rekraft (Discontinued)

- Led product strategy, UI/UX, and business development for a refurbished laptop e-commerce startup. Gained end-to-end experience in building a product from zero to launch.

AI-ML Intern — Technokraft Training & Solutions Pvt. Ltd.

- Built ML models for prediction tasks — data preprocessing, feature engineering, model optimization.
- Applied supervised learning techniques on real-world datasets using Python.

Secretary — Skill Up Club, PVGCOE (2025-26)

- Organized 5+ technical workshops and coding competitions for 100+ students.
- Mentored juniors in web development and project building.

PROJECTS

Rule_Zero (React, Next.js, Python, Firebase, GROQ API, Prisma, Postgre)

- Built a platform for citizens and startups of India to learn about Indian laws & rules with a proper structured library with AI simplification

Attendance Prediction System (React, Vite, Tailwind, Python, Ollama, JWT)

- Built an AI Attendance Prediction system where data set are provided and insights of that data related to attendance are shown and AI assistant for question & answering.

Smotly_ai (FastAPI, LangChain, Celery, Redis, WebSockets)

- AI SaaS platform integrating LLM workflows via LangChain, background task queues with Celery/Redis, and real-time streaming notifications over WebSockets.

SKILLS

- Languages: C++ (Intermediate), Java (Basic), Python (Basic)
- Web: HTML, CSS, Javascript, React(MERN), Next.js
- Mobile: Kotlin (Learning), Vibe Coding
- Storage: MYSQL, MongoDB, Firebase.
- Design: UI UX
- Tools: Github, Canva, Android Studio, Figma, MongoDB atlas
- Soft Skills : Leadership, Teamwork, Event Management
